Judge J. P. Adams won in the Republican primary election in the 23rd Judicial district over Judge G. W. Gourley by nearly 1,000 majority or about two to one outside of Lee county, Judge Courley's native heath, and in this county Adams got 60 majority, thus carrying every county in the district.

Keeping Cool.

There are various ideas about how best to keep cool in hot weather. If Weary Willie was asked for his pet recipe, he would probably answer: "sit on a chunk of ice in the shade." Lazy Lew, if interviewed, undoubtedly would say: "Be careful not to heat yourself by doing any work. Rest."

But we are forced to state that the ideas of both gentlemen are sadly in error. To check the sweating process does not cause coolness. If W. W. and L. L. would get up and work—moderately and with due regard to noon-day heat—their temperature would be really lowered, for coolness comes with perspiration.

Then if they would stop using alcohol, tobacco, ice-cold drinks, spicy and stimulating foods, and strong tea and coffee, they would feel still cooler.

Yes, and they ought to wear a few fresh leaves in the crown of their hats, and take frequent drinks of cool, but not icy, water. These precautions, together with freedom from hurry and worry, will keep any man cool in hot weather.—July Farm Journal.

Hygeno DIP AND DISINFECTANT
THRIFTY LIVE STOCK

The all important question with the farmer and live stock raiser is how to produce the most beef, pork or mutton with the smallest expense. The only answer is, prevent disease rather than try to cure it. Hygeno—dip and disinfectant is a powerful germicide and positive insecticide. Used occasionally as a dip and spray it will keep the livestock in a healthy and thrifty condition. Hygeno costs less than one cent a gallon when diluted and we can positively say it will cost you more if you do not use Hygeno than it will if you do. If your dealer cannot supply you with Hygeno, send us his name and we will take care of you and mail our Health Book and free sample.

LETTERS FROM USERS OF THE Syracuse "EASY" Washer

"Your machine is a complete success. I learned more about washing out of your little booklet than I ever would have from all the women who could stand in a row. I have been paying \$1.25 a week for washing when I can do the same in two hours with the 'EASY'."

"We have tried the 'EASY' and find it just as you represent it and the only washer I ever saw that does the washing clean without rubbing on the board. It is easy to work and does the washing thoroughly. It certainly has no equal."

E. E. LIGGETT, R. D. 1, Box 4, Avella, Pa.
Make the washing easy for one-twelfth of the year at our expense. Wash everything washable in the house. If you cannot make the "EASY" earn its price during the house-cleaning season return it at our expense.

Pages 26-27 of our free book on Washing Formulas give you valuable information on washing flannels.
